Jete and Arabesque want to remind you of the next *Dance Bonanza* on 19 May. It will be based on the classical, iconic Swan Lake.

### See the booking form included!

And note the colouring-in page over the back. Return this page completed and your artistic skills will be displayed for everyone to see, in the Green Room, (On the day).

We are also looking for stories or articles about the class, the forum and/or the birthday party so if you would like to write a story or an article about your experiences at this Dance Bonanza for the next newsletter we would be thrilled – please let Pam or Ingrid know that you are interested.

We are also celebrating our very own **birthday** – This year the **Young Friends turn FOUR** and naturally we are going to celebrate with a birthday tea after the dance class. All those attending the class will receive a birthday gift and go into the draw to win one of three tickets to Swan Lake, Friday 1 June, 7:30 pm at the St. James theatre.

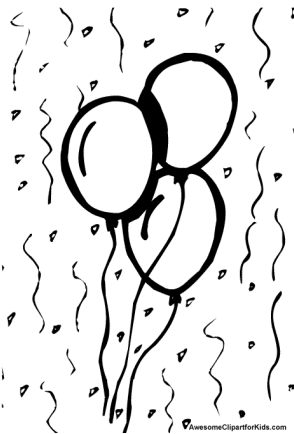

## Journalist awards

*Congratulations* to the following people who will receive journalistic awards for their stories in the last Tutus on Tour newsletter:
